

Donna Dube

DATA & MEASUREMENT STRATEGIST

Donna Dube provides operational excellence to 6-figure entrepreneurs through an ongoing strategic partnership. Donna helps the CEO reach their full potential without the burnout and stress that comes with managing a growing and scaling business. She believes that ease and efficiency in small business comes directly from making data-driven business decisions. As Donna likes to say, data helps you stop leaks, find opportunities and boost your revenue. Know your numbers, grow your business!

Speaking Topics
